

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Stanford in the Vale Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council has recorded a 'N/A' response at Assertion 9 which relates to the Council discharging its responsibilities as a sole trustee. Following our review, the response to Assertion 9 is inconsistent with the response provided to Box 11a on Section 2 as well as the response provided to control objective O on Annual Internal Audit Report. Therefore, we would have expected a 'Yes' response to Assertion 9.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Council left a significant time period between approval of the Annual Governance and Accountability Return and the commencement of the Public Rights Period. The Audit and Accounts Regulations 2015, section 12 (3)(a) and proper practices require that following approval of the Return, the Public Rights Period should commence as soon as is reasonably practicable when taking into consideration the mandatory inclusion of the first 10 working days of July.

The Internal Auditor has signed off the Annual Internal Audit Report 2023/24 after the Section 1 Governance Statement 2023/24 was approved. As the completed 2023/24 report was not available for review and consideration with the form, it is presumed that the Assertions in Section 1: Annual Governance Statement refer to the previous year's internal audit report and to other checks performed by the Council.

3 External auditor certificate 2023/24

We ~~certify~~ ~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
