held on Wednesday 2<sup>nd</sup> October 2024 at Stanford in the Vale Village Hall**

**Present:** Cllr Middleton (Chair) Cllr. Burls Cllr. Howes Cllr. Isaacs Cllr. Kent  
Cllr. Lewis Cllr. Silk Cllr. Ash (OCC) Cllr. Caul (VWHDC)

**Claire Lewis (Clerk)**  
9 members of the public

**01/10/24 To receive apologies**  
Cllr. Dixon  
Cllr. Caul (VWHDC)

**02/10/24 To receive Declarations of Interest from Cllrs on any agenda item**  
11/10/24 Cllrs. Middleton, Kent and Isaacs – expenses (purchase of items for Parish Council)  
22/10/24 Cllrs. Howes and Burl live near the proposed location

**03/10/24 To receive, approve & sign as a true record, minutes of previous meeting 4 September 2024**  
ON THE RESOLUTION OF Cllr. Isaacs  
SECONDED By Cllr. Kent  
IT WAS RESOLVED that the minutes be accepted  
All in favour

**04/10/24 To receive report of County Councillor**  
No report

**05/10/24 To receive report of District Councillor**  
Cllr. Caul had to cancel at short notice and was to give a verbal report. She has contacted the Planning team twice about lack of progress on the Bow Road footpath with no response and is escalating the issue.

**06/10/24 Questions/comments from Parishioners**

The issue of the excessive noise of the speed bumps on Ware Road at all hours was raised

- Councillors noted that Ware Rd is a private road, and it is not possible to enforce any changes. It will be adopted by Oxfordshire County Council from the A417 up to Whistler Way once development is 'substantially complete'.
- Councillors met with the estate owners to ask them to consider other speed reduction measures and are awaiting feedback.
- The noise from the empty skips coming from the skip hire company are the biggest problem. It was suggested that parishioners could approach the company directly.
- The parishioners could also contact the District Council to raise a

A parishioner wishing to set up a food van in the Football Club car park from 5pm-10pm Thursday-Sunday outlined her plans. It would need the Parish Council's approval as the landlord, in addition to the Football Club's.

**07/10/24 Councillor Co-option – to consider the vacancies and any applications**  
ON THE RESOLUTION OF Cllr. Isaacs  
SECONDED By Cllr. Middleton  
IT WAS RESOLVED that Mike Foulkes be co-opted onto the Parish Council. All in favour

**08/10/24 To receive report of Chairman inc. items for next agenda**

1. **New play fort**

I'm sure you will have seen the new play fort by now, which has been very well received by parents and children. My thanks to Cllr Lewis and the clerk for organisation purchase and installation and to the Public Purposes Charity for contributing to the funding.

2. **Football club lease renegotiation**

A reminder that we committed to having a follow-up meeting with the football club about the lease renewal in late September. The renewal needs to be agreed on or before 27th April 2025.

3. **OCC Highways Engagement Visit**

This meeting has not yet taken place as the OCC representative had to cancel for personal reasons. We are awaiting a revised date.

4. **Ware Road traffic noise**

I understand that Cllrs Silk and Isaacs had a meeting with the owners of the White Horse Business park to discuss nearby residents' concerns over traffic noise along Ware Road.

5. **Transfer of Nursery End public open space**

I understand we are expecting the transfer of the Nursery End public open space to complete in the next few days, if it has not already done so.

6. **Bus stops on High Street and Upper Green**

The scheduled meeting with OCC in September did not take place as the OCC officer was unable to attend. We are awaiting a revised date.

7. **Newsletter**

My thanks to the clerk and to Cllrs Isaacs and Silk for putting together this month's parish council newsletter. I feel having other contributors has enhanced the quality of the newsletter and the variety of content. I would like us to explore ways of sharing around the task of writing the newsletter in the future. Suggestions as to how we might do this would be most welcome.

8. **Bow Road to Horsecroft footpath**

We have been contacted by a local landowner who has lost livestock to infections which they believe were caused by contact with dogs not kept on leads on the path from Bow Road to Horsecroft. Cllrs Lewis and Isaacs have met them to discuss their concerns.

9. **Parish Transport Representative**

With the resignation of Cllr Brooks we have a vacancy for a councillor to be our county council parish transport representative (details [here](#)). Meetings are held online via Microsoft Teams three times a year, and include updates on local bus services, community transport and school transport provision

from OCC, together with presentations from Community First Oxfordshire (CFO) and other invitees. The main meetings are followed by a public transport surgery, for PTRs to raise parish-specific issues with OCC officers.

## 10. Joyce's Road layby

I've had a request from a resident for the large tree trunk currently in the Joyce's Road layby to be removed. It originated from the hedge (on parish council land) that separates the road from the play area.

### 09/10/24 To receive correspondence and Clerk's Report

Correspondence – relevant copies are in the meeting correspondence folder

1. OALC newsletter in the folder
2. A Thames Valley alert about theft of tools from 2 vehicles overnight on 25<sup>th</sup> September is in folder
3. A parishioner raised the issue that DWH applied for a non-material change [P24/V1768/NM](#) to their application [P21/V2334/FUL](#) to add installation of PV units on 60 of the houses, including affordable housing. As this was a non-material change, it did not go to consultation and has now been approved. The council may wish to find out why the other 22 houses are not included. The same house types are included and excluded from the plan. .
4. A parishioner has been in touch about the state of the path 244/10/10 opposite Bow House towards Hatford which "has been impassable for the majority of the summer months, 5ft high with nettles midway across the field, with both nettles and brambles at the Hatford end kissing gate2". I have advised her to report via OCC CAM.
5. A parishioner has raised the issue of the lack of bins in the village – particularly the one removed from the path along the VH car park.
6. One parishioner has volunteered to be a Fix My Street super user
7. I have forwarded an invitation to Community First Oxon AGM which is a Zoom call at 10am on Oct 23<sup>rd</sup>.
8. With the resignation of Cllr. Brooks, we need a councillor to attend the PTR (Parish Transport Representatives) meetings with OCC transport. The next is November 19<sup>th</sup> at 1.30pm via Teams.
9. A parishioner in Bow Road has written to request that the ditch the carrying the brook alongside Bow Road is dredged. The flooding resulted in sewage in the garden. **Action:** Cllr. Lewis will contact Vale's flood risk and drainage engineer.
10. A parishioner has been in touch about the lack of storm drains in Joyce's Road and Cottage Road leading to flowing. This will be raised by the Parish Council at the meeting with OCC Highways Engagement.
11. A parishioner raised the issue of missing bins, particularly at the village hall. **Action:** Clerk to send Cllr. Lewis details of the contact at Vale to follow up.
12. Cllr. Isaacs has suggested a strategy session for the Parish Council. To be organised separately.

### Clerk's report

1. The 20mph consultation is live until 25<sup>th</sup> October on OCC's website - [Stanford-in-the-Vale - proposed 20mph speed limit | Let's Talk Oxfordshire](#)
2. The casual vacancy process has completed for Cllr. Brooks and we are now able to co-opt a replacement.
3. The defibrillator has been installed at 1 Whitfield and is being registered by Les on The Circuit. Les is looking into options for CPR training as this should be the first action, before defib use. You can find your nearest defibrillator at [Defib finder – find the defibrillators nearest you.](#)
4. The play fort is complete and has received lots of positive feedback. I have submitted the receipts to the PPC to receive their contribution.
5. We have taken out insurance with Clear Councils. Clear Councils also give 1-year free subscription to the Parish Online mapping tool, which I will get started on next week. The quotes received were:

Clear Councils	£1,264.27
Zurich	£1,480.70
Hiscox	£2,809.31

Signed.....

Date.....

6. The external audit is complete, and the report and certificate issued. These are available in the Finance folder, uploaded to the website and on the noticeboards. The auditor has certified that the Parish Council follows proper practices. The auditor commented that:
  - a. The Public Rights Period could have been started earlier (although it was within the legal timeframe, I could have issued it 3 weeks earlier)
  - b. One box was inconsistently ticked
7. The annual playground inspection is booked and will be conducted in December. I did not include the new play area in Nursery End as it has recently been inspected and will undergo remedial work in the coming months.
8. I have passed the first module of my CiLCA qualification, with a grading of 'Exceptional Submission'. I have submitted the second module for assessment and have 3 remaining to submit by December 1<sup>st</sup>.
9. Recent planning decisions, all approved:
  - P24/V1618/HH – 2 Huntersfield - Conservatory
  - P24/V1539/FUL P24/V1416/LB – 2 Cox's Court - Carport
  - P24/V1509/HH – 6 Warwick Close – front extension
  - P24/V1758/LDP – Hollyvale, Chapel Road – CLD windows and doors
  - P24/V1759/LDP – Hatches farm Barn – CLD windows and doors

**10/10/24 To discuss Planning Applications**

- a) **P24/V1982/FUL** – *Manor Farm* – construction of outbuilding

ON THE RESOLUTION OF Cllr. Silk

SECONDED By Cllr. Isaacs

IT WAS RESOLVED that the Parish Council OBJECTS to the application for the following reasons:

Given that this is a new structure for storing of land maintenance machinery, it appears too large and isolated from the existing buildings. In this respect it is contrary to Local Plan policies and national planning guidance restricting development in the countryside. There is a lack of evidence justifying 'essential agricultural need' for the structure on what is a relatively small landholding.

We believe other opportunities to enhance biodiversity net gain, given the edge of village location, should be explored.

Should the local planning authority be minded to approve, permitted development rights should be removed and use should be tied to the main property.

All in favour.

- b) **P24/V0804/HH** – *14 Cottage Road* – further amendment to extension plans

ON THE RESOLUTION OF Cllr. Middleton

SECONDED By Cllr. Silk

IT WAS RESOLVED that the Parish Council OBJECTS to the application for the following reasons:

The rear extension height should, as per the original pre-application advice, step down from and be lower than the principal ridge height to offer subservience and reduce massing. The parish council objects to any harm to the existing front stone wall, which adds character to the street scene.

All in favour.

**Action:** Clerk to contact the planning officer about the temporary fencing which has already been erected.

- c) **P24/V1735/HH** – *Yew Tree Cottage Chapel Road* – garden room

ON THE RESOLUTION OF Cllr. Silk

SECONDED By Cllr. Isaacs

IT WAS RESOLVED that the Parish Council supports this application. All in favour.

- 20/10/24 To discuss proposal to stop work on Asset of Community Value.**  
 It was agreed that work would stop for the following reasons:
- This project started when there was a real prospect that the Horse and Jockey would be forced to close and could be sold which is no longer the case.
  - There is at present no realistic path to listing the Horse and Jockey as an ACV.
- A successful application needs a realistic prospect that the pub is in danger of being sold and substantive evidence that the pub is providing community value over and above just being a pub. It would also need a realistic plan to secure and manage the pub for the future via a community interest company. Should circumstance change, the council could pick up again, and now have the knowledge to do so.
- 21/10/24 To approve the locations for spring bulb planting**  
 The locations for the bulb planting were approved and the SITV Cub Scouts will be planting them this week.
